The Foundation's new year just started on January 1<sup>st</sup>, 2025. The Foundation operates under the regular calendar year. Last year the Foundation approved 17 grants, some went to school Districts for leadership training and others went to Lions programs. The foundation has already approved a grant this year for the Ilwaco High School music program for Leadership training for over 100 students in the music program. We have another grant request for Leo's at the 19N Convention that we are reviewing.

The Foundation wants to see more grant request. Grant applications can be downloaded from the foundation's website.

Please help get the word out about the MD19 Lions Foundation. The Foundation has money to spend on worthy Leadership and Service Development causes.
